H.R. 3208

AMENDMENT

OFFERED BY MR. DOOLEY OF CALIFORNIA

Strike section 103(a)(4) and insert the following:

1 (4) WATER DELIVERIES TO SOUTH-OF-DELTA  
2 AGRICULTURAL WATER SERVICE CONTRACTORS.—

3 (A) The Secretary shall use the discretion of the  
4 Secretary to the maximum extent practicable to ac-  
5 complish the goal, during a normal water year, of  
6 making available to south-of-Delta Central Valley  
7 Project agricultural water service contractors at  
8 least 70 percent of the currently identified contract  
9 maximum for such contractors.

10 (B) The restoration of supply for south-of-Delta  
11 Central Valley Project agricultural water service  
12 contractors pursuant to this paragraph shall be  
13 accomplished—

14 (i) by providing water from existing facili-  
15 ties historically used to provide Central Valley  
16 Project water to these contractors,

17 (ii) in a manner consistent with California  
18 water laws,

1 (iii) without reducing deliveries to, increas-  
2 ing the costs of, or otherwise adversely affecting  
3 other water suppliers, <sup>and water users</sup> that rely on water di-  
4 verted from watercourses tributary to the Delta, <sup>and in the</sup>  
Delta,

5 (iv) without degrading the quality of water  
6 for municipal, <sup>and agricultural</sup> and industrial uses, and

7 (v) in a manner that is consistent with the  
8 Bureau of Reclamation's municipal and indus-  
9 trial water shortage policy.

10 (C) Nothing in this paragraph grants, dimin-  
11 ishes, or otherwise affects any water right or right  
12 under any contract, including a settlement or ex-  
13 change contract, in effect as of the date of enact-  
14 ment of this Act.
